

A decorative border of Chinese dragons surrounds the central text. The dragons are depicted in various colors, including green, red, yellow, and blue, and are shown in various poses, some coiled and some standing. They are surrounded by clouds and other traditional Chinese motifs. The dragons are arranged in a circular pattern around the central text, with their heads facing outwards. The dragons are highly detailed, with scales, whiskers, and horns. The background is a light, textured surface.
